### Men's Section

We have boasted in recent times about the growth in Club membership numbers, unfortunately the month of July saw two much respected members resign for personal reasons. On behalf of our Club I would like to thank Gordon Towson (Bowls Committee member and Selector) Barry Monk (Club Coach & Selector) for their involvement in our Club, both members put a great deal of time and effort toward the betterment of our Club. There is no doubt Barry gave much to helping many of us improve our game with nothing but the Clubs best interest at heart, we wish them both all the very best and hope that they not be strangers to our Club. Barry has very kindly offered to continue coaching, however, only by appointment. Please contact Barry to book times, preferably in the afternoons to allow Green keeping Staff to organise their day with minimal disruption.

For those interested, Bowls Queensland are sending their development team to our Club on Thursday, September 9 for a discussion to start at 2.00 p.m. (All welcome) The purpose of their visit is to discuss running a Club on a volunteer basis, ways of promoting our Club to help increase membership, advise on applying for grants, provide relevant literature and much more, not necessarily in that order. The meeting will last approximately one hour.

Cheers *Bob* [Men's Secretary]

### Ladies Section

Hi All, another month has flown by, where has the year gone? Firstly great to see Francy up & about at the club for dinner on Friday night. All the best Francy for your recovery. Congratulations to our 4 ladies, Lorna, Robyn, Ros, & Pam H. on their selection in the District Challenge against North Brisbane. Caboolture District won. Also congratulations to Robyn for her win at the Donnybrook Carnival recently. Ros, Lorna, Marg & Tim took out the mixed fours at a recent competition at Deception Bay, well done.

### July - Work Your Mind -

A farmer was asked how many chickens he had sold at market that day. His reply was "I've had four customers today, and each bought half of my remaining chickens, plus a half chicken." The farmer sold all of his chickens at market that day. How many chickens did the farmer sell??

### Answer – 15 Chickens

#### Solution:-

The first customer bought  $15 / 2 + 1/2 = 8$  (leaving 7)

The second customer bought  $7 / 2 + 1/2 = 4$  (leaving 3)

The third customer bought  $3/2 + 1/2 = 2$  (leaving 1)

The fourth customer bought  $1/2 + 1/2 = 1$  (leaving 0)

The answer can be worked out in the following way:

The fourth customer can only have bought one chicken, otherwise there would be some chickens left. The third customer must have bought all but 1, so total - (total ÷ 2 + 1/2) = 1. This can be solved algebraically or it's easy to see that the total must have been 3. This method keeps working until we reach the first customer.

Pennants start this week so for the next five Thursdays we will be playing at Woodford and we are going to need all the support we can get as we are playing Division 3 & with only 3 teams in Division one & no, (YES NO) Division 2, we are going to have some stiff opposition.

WOODFORD LADIES BIRTHDAY Monday 16th August, please get your names down on the sheet at the club either to play or help out on the day. Also don't forget our big GRAND OPENING on Sunday 22nd August, preceded by Bi-Annual Meeting at 11.am. Could all ladies please bring a plate for afternoon tea on that day. Thanks everybody.

Happy Bowling, *Terre*

A young ventriloquist is touring the clubs and one night he's doing a show in a small town in the Northern Territory. With his dummy on his knee, he starts going through his usual dumb blonde jokes, when a blonde woman in the 4th row stands on her chair and starts shouting: 'I've heard enough of your stupid blonde jokes. What makes you think you can stereotype women that way? What does the colour of a person's hair have to do with her worth as a human being? Its men like you who keep women like me from being respected at work and in the community, and from reaching our full potential as people. Because you and your kind continue to perpetuate discrimination against not only blondes, but women in general and all in the name of humour!' The embarrassed ventriloquist begins to apologize, and the blonde yells, 'You stay out of this mate! I'm talking to that little shit on your lap!'

### Games for All

The Ladies start their Pennants this week, good luck ladies, we wish you all the very best. Ladies play during the week, times and days are on the board, get down and support them whenever you can. Well done to the Men's Div 5 Pennant team, winning one rink and not too far off winning the other, what a performance against a highly qualified team from Kilcoy. The 3rds did well against Donnybrook winning both rinks and taking maximum points for round 1.

Neville Hanna's spot in 3rds is in doubt after a superb performance by Mick Gloynes as fill in Skip, just kidding Neville, Mick did play well but he can't handle the pressure and is desperate for your return. Congratulations to Neville Hanna on making the final of the District Singles, unfortunately losing to the Bribie Singles Champion. Good luck to our pairs and fours teams, results in the next news letter.

I am happy to advise that Woodford and Kilcoy, organised by Bill Warman and Bob Woodrow, will once again put on an annual Home and Away game, this year in November. Next year we will play the games further apart but to get things started we'll play two weeks apart, the first round on Saturday November 13 at Kilcoy. The

second round at Woodford on Saturday November 27. Put it in your diary now, more details later.

There hasn't been a lot on for Social Bowlers lately, weather doesn't allow night bowls and the few Mufti's put on haven't been that well attended. Any suggestions on how to provide games at the right time for our Social Members would be very much appreciated. A couple of dates to keep in mind are Friday Nights starting around mid September if weather permits. The Peter McInnes Perpetual Trophy for local Business houses will start as early Tuesday September 21<sup>st</sup>. Cheers,

*Bob (Acting Games Director)*
