On a Roll

February 2012

@ Woodford & District Bowls Club Inc.

www.woodfordbowls.wordpress.com

Men's Section

We've been without our roller for the best part of a week, a minor electrical problem which has now been fixed thanks to the generosity of Scott (Woodford Car Electrics). The green is slow but that is normal after the annual refurbishment, now that we have our roller back speed will increase a little each week over the next couple of months.

By now you will all have received the 2012 Calendar of events, please use it and keep an eye out for the sheets on the games board. We have a number of reciprocal visits this year and we need your support in the away games as well as our home games. Your Club depends on your support.

The draw for the Men's "B" Singles has been posted on the notice board. The first round was scheduled for Saturday Feb 25th but was rained off. Please try and complete outstanding games by Saturday 10th March. The draw for the Open Singles closes March 12th at 6.00 p.m.

This year our Club will contest Pennants in 2nd Division and 5th Division providing our numbers add up. We need at least 14 players for 2nd Division and 10 players for 5th Division. Members will be asked at a later date to indicate their availability for the season. If you are not available for the whole season please include dates you are away. It is most important that our Club continues to participate in at least 2 Divisions. We know from recent years meeting a target of 20 to 22 players for 3rd and 5th division has been hard enough - 24 to 26 players this year will be very difficult and we need everybody's support. We intend canvassing other Clubs for players if we fall short of numbers within our own Club.

From January 1st of this year Men will be allowed to wear either long or short trousers, a mix of long and short is allowed as long as they sport the Bowls Australia logo.

Cheers *Bob*.

Ladies Section

Hi Ladies

Not a great deal to report on this month. Our first official Ladies away visit for this year is on Monday 5th March when we have a team going to Solander Lakes and then we get into gear and have a team going away most weeks. We have of course enjoyed the Mens Open events and pub days and a number of our ladies have played at Glasshouse and Donnybrook. The Ladies singles are progressing and a reminder that these have to be completed by 31st March. A reminder also that nominations for the Ladies Pairs close on 9th March, with play to be concluded before 30th April.

Our first Wander into Woodford is on Thursday 8th March with morning tea commencing at 9am and our March Ladies meeting is to follow immediately after lunch at approximately 1.00pm.

Look forward to seeing you all on Thursday.

Pam

Member Draw February 2012

Date	Member	Present?	Amount
3rd February	Courteny Allen	NO	\$140
10th February	Wally Breton	NO	\$160
17th February	Nick Casey	NO	\$180
24th February	Ivy Manely	NO	\$200

April Advance Notice

Saturday 14th & Sunday 15th – Condong Bowls 2 day event

Saturday 21st – Railway Day

Sunday 22nd – Geebung

Our Bowling Sponsors 2012 to date.

Woodford Car & Truck Electrics Fourex Brewery

Woodford Home Hardware

Please support these local businesses whenever you can. Without them our survival would be difficult!

I was listening to the radio this morning when the host invited callers to reveal the nicknames they had for their wives.

Best call was from the chap who called his wife Harvey Norman ... No interest for 18 months.

Regular Events at Your Club

Wednesday Night – Cards – come along and try your hand at **500** or **Euchre**, also known as *eucre*, a trick-taking card game most commonly played with four people in two partnerships with a deck of 24 standard playing cards.

Thursday Night – Pool Championship in the bar
Jam session in the dining room with hot meals available

Friday Night - Bowling at 5.30 pm followed by beautiful meals in the dining room
Members draw – your chance to take home some cash!

Saturdays SOCIAL BOWLS – STARTS 1 PM

Work Your Mind Answers to Last Month's Questions

Q1 *There are 8 marbles that weigh 1 ounce each, and 1 marble that weighs 1.1 ounces. The marbles are all uniform in size, appearance, and shape. You have a balance that contains 2 trays. You are only able to use the scale 2 times. How do you determine which marble is the heaviest using only the scale and marbles in 2 weighings.*

Answer 1. Place 3 marbles on each tray.

If the first weighing doesn't balance, remove all the marbles from the lighter side, and place one marble on each tray from the heavier tray. The heavier side is the 1.1 ounce marble, but if they balance, then the marble from the heavier tray from the first weighing that was not weighed in the second weighing is the heavier one(1.1).

If the marbles balance on the first weighing, remove the marbles from the trays, and place 2 of the remaining un-weighed marbles on the trays, one on each tray.

If one is heavier, it is the heavier marble(1.1), but if they balance, the remaining un-weighed marble is the heavier one.

Q2 *The following sentence is false. The preceding sentence is true. Are these sentences true or false?*

Answer 2 Neither, it's a paradox. If the first is true, then the second must be false, which makes the first false... it doesn't work.

Games for All

Our first Sunday Scrounger was a great day, thanks to everyone on the day, it was very enjoyable. We will look to arrange a coaching session prior to scroungers, followed by a sausage sizzle in April. If it proves popular, we'll try for every month.

Please note the Nicholson Shield will be held on March 25th, the event sheet is on the board so please get your name down. In last months Newsletter the start time was noted as 2.30 p.m., this was a typing error, should be 12.30 p.m. as usual.

We are getting closer to reviving the Artie Thomas Shield with Kilcoy and Toogoolawah, four teams of mixed fours from each Club will compete in a round robin competition, one day at each Club. More on this later as arrangements are finalised.

Cheers, *Bob*

This Month's Work Your Mind Questions

- Q1.** Two grandmothers, with their two granddaughters;
Two husbands, with their two wives;
Two fathers, with their two daughters;
Two mothers, with their two sons;
Two maidens, with their two mothers;
Two sisters, with their two brothers;
Yet only six in all lie buried here;
All born legitimate, from incest clear
HOW?
- Q2.** There are 3 temples and 3 magic ponds in front of the temples. A priest arrives with some flowers, qty x . He rinses the flowers in the pond, and the quantity was doubled (since the pond is a magic pond) and he offers some flowers, qty y to the first lord in the temple. He takes the balance of the flowers to the second pond and again it gets doubled. He offers the same number of flowers to the second lord, qty y , and takes the balance of the flowers to the third pond and again it gets doubled. He offers the same number of flowers to the third lord, qty y , and then walks off home without any flowers remaining. How many flowers did the priest bring (qty x) and how many did he offer the lords (qty y), so that even after doubling in all the three ponds he has no flowers left on returning home?
- Q3.** After teaching his class all about roman numerals ($X = 10$, $IX=9$ and so on) the teacher asked his class to draw a single continuous line and turn IX into 6. The only stipulation the teacher made was that the pen could not be lifted from the paper until the line was complete.
