### Men's Section

Our A.G.M. (Club Inc.) will be held at the Clubhouse on February 24 commencing at 10.00 a.m. Please make an effort to attend this meeting to discuss the possibility of combining the Men's and Ladies Bowling Sections. As advised in the Secretary's notice **"Discussions and Ideas will be put forward on this subject and the Board WILL be seeking direction through the process of a ballot to either peruse or terminate this idea."**

Our last newsletter called for assistance in running the Men's Bowls Section, we had 4 people filling 9 positions. A special meeting was called to try to rectify the situation, it was disappointing that only 8 people attended that meeting, and there were 6 apologies. However, we did receive one nomination for Games Director and we thank Gerry Mooney most sincerely for his help. So far, in a month when we normally have perhaps one game, sometimes none, Gerry with the assistance of Bill Clarke has managed 3 games and two Friday Night Social games. Unfortunately, our first rotational 3 bowl triples event was washed out.

The other item for discussion at our Special General Meeting was Bowls Qld's proposal to change District Boundaries. Just prior to our meeting, a meeting was held by the two affected Brisbane Districts, they were unanimous in their decision **not to support** the changes. Without their support, the change cannot proceed.

I would like to say a special thank you to Gerry Mooney and Steve Draper for the wonderful repair and paint work carried out on the plinth. Much of the cost for this was donated by Gerry and Steve as well as around three days of hard work in 38c plus temperatures.

We have a Trivia Night on Saturday 2<sup>nd</sup> March, you can book your tables at the Club, any day bar Monday, between 4.00 p.m. and 6.00 p.m., always a good night.

Cheers *Bob.*

### Ladies Section

Hi Ladies,

Firstly welcome to our two new members Faye and Gloria and secondly a very belated official welcome to our two not so new members, Jenny and Annette, apologies ladies.

February sees the start of the District Calendar of Events for 2013 with Bribie and Donnybrook being our first two matches. If anyone does not have a copy of the Calendar of Events, please let me know and I will send you a copy. It is important that we try and send a team to all of the events on the calendar, so your attendance at the monthly meetings, when we go through all the invitations for the following month, saves the need to ring around later.

With regard to the District Championships, please can you advise at the next meeting if you are interested in being selected for the Sunshine Coast Challenge to be held on 19<sup>th</sup> March and also if you are interested in playing in the District Championship Triples and Fours. The closing dates for the Pairs and Singles/Novice events will be advised ASAP.

Don't forget that nominations for the Club Singles and Pairs competitions close on 15<sup>th</sup> February, which just happens to be the date of our next meeting - hope to see you all there at 4.30pm

Regards, *Pam*

### **Games for All**

Our first two men's Triples went well considering the time of year and availability of regulars, some are away on holidays, a couple in hospital having knees done. We wish Bob Gleeson and Max Postle a speedy recovery. Thanks to those Club members who at short notice helped fill in the numbers, especially on the Pub Day. For two days prior we had four teams pull out and after many phone calls made by Gerry and Bill we still managed 6 rinks, a good result in the end.

Our first Friday Night Jackpot Bowls went well, I would like to welcome newcomers to our Club, Jan, Lex, Robyn, Warren and Cy, welcome back to Friday night bowls regulars Dave, Irene, Shane and Adam. Also regular supporters on Thursdays and first time bowlers Bob and Sue. I hope everyone enjoyed the night and hope to see you all every Friday Night. The Jackpot wasn't won so next week, (February 8) providing we have a minimum three rinks, it will increase to \$100.

Members should note that the Men's "B" Singles nominations close on February 11 and the Open Singles close February 25. Notice was given early January in regard to closing dates and nomination forms have been available at the Club for the past month. Ladies nominations for their singles close February 15<sup>th</sup>.

Upcoming events include the Seafood Day Feb 7, almost full, Breakfast Bowls on Sunday, February 10. The cost is \$16, \$10 if having breakfast only. Please get your name on the sheet and indicate if having breakfast only, we can only cater for the numbers on the sheet. Don't forget the AGM and Bowls on Sunday, February 24.

Cheers *Bob*.

## Work Your Mind Answers to December's Questions

**Q1** . A man once heard a tongue twister that he enjoyed so much that he made the last line of the tongue twister the combination on his safe. Using the tongue twister below determine what the 5 digit number combination was for his safe.

One-One was one race horse  
Two-Two was one too  
When One-One won one race  
\_\_\_\_\_ ?

Fill in the last line with the correct 5 digit number combination.

### **Answer to Q1**

22112 -"Two-Two Won One, Too!"

**Q2** Henry and Gretchen are going to play a game. Henry explains, "You and I will take turns saying numbers. The first person will say a number between 1 and 10. Then the other person will say a number that is at least 1 higher than that number, and at most 10 higher. We will keep going back and forth in this way until one of us says the number 50. That person wins. I'll start."

"Not so fast!" says Gretchen. "I want to win, so I will start."

What number should Gretchen say to start?

### **Answer to Q2:**

She should say, "6."

The series of numbers she will say is 6, 17, 28, 39, 50. Since she wants to say 50, she needs Henry to say a number between 40 and 49. Therefore, she wants to say 39. Knowing she wants to say 39, she needs Henry to say a number between 29 and 38. So she wants to say 28. Following this same logic recursively, she will want to say 17, and she will want to say 6 to start the game, and be assured victory.

**Q3.** There was a shipwreck at sea and Buck, Lance, and Jack were washed ashore on a small island. Upon reaching shore they promptly fell asleep from exhaustion. A short time later, Buck awoke and saw that a box of bananas had been washed ashore. Buck ate one third of the bananas and went back to sleep. Lance soon awoke and upon seeing the bananas, ate one third of what was left and then fell asleep. Jack woke up next and assumed that the other two hadn't eaten any bananas, so he ate one third of what remained. When Jack finished, there were eight bananas left over. How many bananas were in the box originally?

### **Answer to Q3.**

There were **27**.

When Jack woke up there must have been 12 bananas and he ate  $\frac{1}{3}$  (4).

When Lance woke up there must have been 18 and he ate  $\frac{1}{3}$  (6).

So when Buck woke up there must have been 27 and he ate  $\frac{1}{3}$  (9).
