### Men's Section

We were all saddened by the recent Passing of Bob Woodrow, a good friend who will be greatly missed. Congratulations to Paul West's Team on winning this years Mens Fours. Paul, Mick Gloynes, Graeme Little and Ian Esson defeated Graham Bleakley, Shawn Davidson, Chris Derrick and George Cox 23 shots to 13. Graham's side got off to a rather slow start, down 17 to 1 after 10 ends, the next two ends saw Graeme's side pick up 5 shots and with 9 ends to go it was looking interesting. From there on the ends were shared evenly, however, the great start by Paul's side made all the difference in the end. Our Club was represented in the Champion of Club Champions by James Schiulaz in Singles, James and Paul West in the Pairs. Unfortunately our Men's fours could not be completed on time to enter a side. James reached the final, losing to Richard Strawbridge of Bribie 20 shots to 25. With 2 ends to go the score was locked up at 20 all, so close. Nominations close for the District Mixed Pairs on Sunday, August 7<sup>th</sup>, a notice and Nomination Forms were made available next to the Event Sheets from Monday, 11<sup>th</sup> July, fees are \$16 per player. Nominations for our Club mixed pairs close 6.00 p.m. Monday 15<sup>th</sup> of August. Forms are available under the notice board.

Cheers *Bob.*

### Ladies Section

The ladies have had another busy month visiting Caboolture Lakes, Pine Rivers, Donnybrook and Solander Lake. Ros and Lorna were successful in reaching the finals of the District Champion of Champions Pairs and Ros and Marg participated in the District Challenge against Brisbane.

Our 59<sup>th</sup> birthday bowls day was a great success with teams attending from all the clubs in the District. Our sincere thanks go to life members George Cox, Bill Warman, Courtney Allen, Margaret Scott, Graham Jewell, Doon Cumner and Francy Tinney for their sponsorship. Thanks also to Tobe for making the birthday cake and "toucher prizes", Lorna for the table prizes and to all ladies who worked wonders in the kitchen and dining room to make it such a great day.

Our Pennants ladies have been practising hard and are looking forward to joining the Kilcoy ladies when the pennants start in August. Good Luck Ladies!

Regards, *Pam*

*Happy 59<sup>th</sup>*

## THANKS

On behalf of the Management Committee I would like to take this opportunity to sincerely thank those who assisted at our recent working bee. A huge amount of work was achieved by the terrific number of volunteers that assisted on the day. Everyone's efforts on the day not only reminded me of what a wonderful little club we have but also how lucky I am to know such a fantastic group of people. Once again thanks to everyone for their efforts and we hope to see you again in December for our green renovation.

*Damien*

## Paraprodsokians

I asked God for a bike, but I know God doesn't work that way, so I stole a bike and asked for forgiveness.

## Work Your Mind Answers

**Q1** One day a father and his two sons are out hiking and need to cross a river, but there is only one boat. The boat can only hold 100 kg. at a time. The father weighs 100 kg. and the two sons each weigh 50 kg. How do they all get across??

**A1** First the two sons go across = 100 kg. Then one of the sons goes back over and lets the father go across = 100 kg. Then the other son comes back across and gets the other son = 100 kg.

**Q2** A man was found murdered on Sunday morning. His wife immediately called the police. The police questioned the wife and staff and got these alibis: The Wife said she was sleeping. The Cook was cooking breakfast. The Gardener was picking vegetables. The Maid was getting the mail. The Butler was cleaning the closet. The police instantly arrested the murderer. Who did it and how did they know??

**A2** It was the Maid. She said she was getting the mail. There is no mail on Sunday!

### Games for All

On Saturday, July 2<sup>nd</sup> we hosted the 1<sup>st</sup> and 2<sup>nd</sup> rounds of the Mens District Fours, thanks to all those helping on the day, your efforts were very much appreciated by all our visitors. The following day our Ladies and Mens Pennant Teams had a series of trial matches from which our selectors announced four well balanced sides for the Men, the Ladies won the day so no need for any changes there, thank you Ladies and Gents for your participation, I think everyone would agree that these trials are well worth while. Thanks to the Club for putting on a sausage sizzle, Sean for sizzling the sausages and running the day along with Graeme Little and Damien Leenen. Due to Pennants, our next Club Selected Whites Day will be some time away, more about that later. The last Club Selected Whites Day was held June 18, no winners so the jackpot now stands at around \$75. The Club Inc's Bi-Annual General Meeting will be held on Sunday August 14 at 10.00 a.m. Members are invited to stay after the meeting for a free sausage sizzle and social bowls, casual dress. Don't forget the coaching clinic, starts at 9.30 a.m. on Sunday August 29, please register on the sheet provided. Tuesday pairs, Wednesday Triples and Pub Days continue to be well attended, thanks to the efforts of Graham Jewell and our sponsors. Times are tough, support our sponsors where possible, we appreciate their support, let's show them some of ours.

Cheers, Bob

## Pennants Teams

The Div 3 team have had a great start to the season with 3 wins in a row – well done guys.

The Div 5 have played just 2 matches, having a bye in round 2, and have one loss followed by a draw which is an encouraging sign. The composition of the teams will change a bit in the early weeks as selectors give a go to all those who have expressed an interest in playing and to cater for holidays, clash of commitments etc. The aim is to establish combinations that work well together and provide success for the club while giving everyone an opportunity.

## Work Your Mind

**Q1** A man worked for a high-security institution, and one day he went in to work only to find that he could not log in to his computer terminal. His password wouldn't work. Then he remembered that the passwords are reset every month for security purposes. So he went to his boss and they had this conversation: **Man** -"Hey boss, my password is out of date." **Boss** -"Yes, that's right. The password is different, but if you listen carefully you should be able to figure out the new one: It has the same amount of letters as your old password, but only four of the letters are the same." **Man**: "Thanks boss." With that, he went and correctly logged into his station. What was the new password? **BONUS**: What was his old password?

**Q2** A man is sitting in a pub feeling rather poor. He sees the man next to him pull a wad of \$100 notes out of his wallet. He turns to the rich man and says to him, "I have an amazing talent: I know almost every song that has ever existed." The rich man laughs. The poor man says, "I am willing to bet you all the money you have in your wallet that I can sing a genuine song with a lady's name of your choice in it." The rich man laughs again and says, "Ok how about my daughters name, Joanna Armstrong-Miller." The rich man goes home poor. The poor man goes home rich. What song did he sing?

The seven dwarves are down in the mines when there is a cave-in. Snow White runs to the entrance and yells down to them. In the distance a voice shouts out "Brisbane Lions are good enough to win the Grand Final." Snow White says "Well at least Dopey's alive!"

While sports fishing off the NT coast, a tourist capsized his boat. He could swim, but his fear of crocodiles kept him clinging to the overturned craft. Spotting an old beachcomber standing on the shore, the tourist shouted, "Are there any crocs around here?!"

"Naw," the man hollered back, "they ain't been around for years!"  
Feeling safe, the tourist started swimming leisurely toward the shore.  
About halfway there he asked the guy, "How'd you get rid of the crocs?"  
"We didn't do nothin'," the beachcomber said. "The sharks got 'em."
