### Men's Section

Welcome Michael Dunn, Graham Derriman, Bob and Noela Gleeson to our Club. I know we are a small Club and when someone joins you get to know them pretty quickly, it's usually done without fuss, however, we should acknowledge members as soon as they join our club. So, late though it is, I'll announce that in fairly recent times and in addition to the above we've welcomed Annette Ruston, Gloria and Steve Gillespie, Andrew and Cathy Laphorn, Faye and Bill Clarke. Hope I have remembered everyone, some have been with us for a good while but again, I don't think they were formally welcomed. Great to have you with us.

Thanks Peteena and Darryl for the donation of outside wall clocks, not only donated but installed.

If anyone has changed their email address or recently subscribed please let us know, it is most important we have correct contact details so we can forward information about Club activities to our members on a regular basis.

22 attended breakfast bowls Sunday July 7 (a great value breakfast thanks Margaret) we had 3 rinks of triples, all enjoying the day to the max. I hope it continues to grow, it's one of the better days on our calendar. Our next Brekkie Bowls day is Sunday August 4, breakfast from 8.00 a.m. and bowls at 9.00 a.m. We had 4 rinks for our Friendship Pairs (one of which was Triples) heaps of prizes and a great day, company was fantastic and I hope our visitors enjoyed the hospitality. Thanks to our Club Members, new and old and our visitors who made the day so much fun.

Ladies Pennants start Tuesday August 6<sup>th</sup> away, home games on Thursdays, good luck ladies. Our Men's Pennants have started well, after 3 rounds 3rds are leading the competition and our 4ths are running second. We have 4 rounds to go, it does get harder from here but the team spirit is excellent, our abilities may falter from time to time but never our commitment.

On Sunday August 11 we host the Champion of Club Champion Fours starting at 9.00 a.m. Come and support our team, be prepared to stay for the day. Ladies Pennants will be at home on Thursday August 8, 9.30 start, show your support and help make it our best year ever.

On Sunday August 18 we will host the Past Presidents and Patrons Day. Cost is \$20 for bowls and lunch, see George with your nomination and payment but don't leave it too long or you'll miss out.

Don't forget our Biennial meeting Saturday August 31 at 9.00 a.m. We need to discuss the combining of both Ladies and Men's Sections so it is most important all members attend. The meeting will be followed by bowls, casual dress.

Before signing off and on behalf of our entire membership I think it appropriate to congratulate our representative Ladies and Gents from Pennant level and beyond for the way they have represented our Club and for their wonderful achievements to date in 2013. Finally, this is the last Newsletter put together by Pam and Peter, they've done a great job but it's time for a break. Anyone interested in taking over please let Pam, Peter or Damien know. Thanks Pam and Peter.

Cheers *Bob*.

## Ladies Section

Hi Ladies,

Despite the wet weather we have had another busy month with ladies playing away at Donnybrook, Solander Lake and Bribie as well as at District events.

Faye and Pam competed in the Ladies Pairs Champion of Champions held at Kilcoy where they proceeded to the semi-final to lose by 2 points on an extra end to a Bribie team.

Woodford was host to the District Ladies Singles Champion of Champions competition held over two days. Spectators enjoyed some very fine bowling which resulted in Faye and Jenny (Kilcoy) meeting each other in the final – a great triumph for the smaller clubs! The weather for the final was not good as it rained the whole time, however again spectators enjoyed a very competitive match as both ladies were tied at 24 all when Jenny managed to take the Championship by 1 point.

For our Woodford Ladies 4's we were joined by 11 teams from the District and 1 from Toogoolawah and although it rained almost continually from the start and the bowling was cut short, the day was a great success and Marg's pumpkin soup for lunch went down a treat. The trophy baskets of goodies, which were very kindly donated by Woodford Woolworths, were greatly appreciated by the winners, unfortunately not Woodford teams! Thanks go to Ella and Marg for their help in setting up the tables and preparing the lunch, to Ros for donating the morning tea, Marg for donating the dessert, Doon and Ella for running the raffles and of course to all ladies who helped make the day such a great success.

Congratulations go to Ros and Peteena who were selected to play for Caboolture District in the Brisbane North Challenge Match also held this month.

Good luck ladies in the pennants,

Regards, *Pam*

## Work Your Mind Last Month's Answers

**Q1.** *Mice are famous for their ability to multiply at breakneck speeds. You pick up a baby mouse from the pet store the day after it was born. The type of mouse you bought gives birth once a month, birthing 12 babies each time. Baby mice mature and can give birth two months after they are born. 12 months after it is born, the mouse will die. In 10 months from now, how many mice will you have?*

**A1.** 1 mouse, because your mouse can't birth any babies by itself!

**Q2.** *A gambler goes to bet. The dealer has 3 dice, which are fair, meaning that the chance that each face shows up is exactly 1/6.*

*The dealer says: "You can choose your bet on a number, any number from 1 to 6. Then I'll roll the 3 dice. If none show the number you bet, you'll lose \$1. If one shows the number you bet, you'll win \$1. If two or three dice show the number you bet, you'll win \$3 or \$5, respectively."*

*Is it a fair game?*

**A2.** It's a fair game. If there are 6 gamblers, each of whom bet on a different number, the dealer will neither win nor lose on each deal.

If he rolls 3 different numbers, e.g. 1, 2, 3, the three gamblers who bet 1, 2, 3 each wins \$1 while the three gamblers who bet 4, 5, 6 each loses \$1.

If two of the dice he rolls show the same number, e.g. 1, 1, 2, the gambler who bet 1 wins

\$3, the gambler who bet 2 wins \$1, and the other 4 gamblers each loses \$1.

If all 3 dice show the same number, e.g. 1, 1, 1, the gambler who bet 1 wins \$5, and the other 5 gamblers each loses \$1.

In each case, the dealer neither wins nor loses. Hence it's a fair game.

**Q3.** *After recent events, Question Mark is annoyed with his brother, Skid Mark. Skid thought it would be funny to hide Question's wallet. He told Question that he would get it back if he finds it. So, first off, Skid laid five coloured keys in a row. One of them is a key to a room where Skid is hiding Question's wallet. Using the clues, can you determine the order of the keys and which is the right key?*

*Red: This key is somewhere to the left of the key to the door.*

*Blue: This key is not at one of the ends.*

*Green: This key is three spaces away from the key to the door (2 between).*

*Yellow: This key is next to the key to the door.*

*Orange: This key is in the middle.*

**A3.** The order (from left to right) is Green, Red, Orange, Blue, Yellow.

The blue key is the key to the door.

## **CLUB NEWS**

---

He was in ecstasy, with a huge smile on his face,  
as his wife moved forwards, then backwards, forward, then backwards again ..... back  
and forth ..... back and forth ..... in and out ..... in and out.  
She could feel the sweat on her forehead and between her breasts, and trickling down the  
small of her back, she was getting near to the end.  
Her heart was pounding ... her face was flushed ... then she moaned, softly at first,  
then began to groan louder.  
Finally, totally exhausted, she let out an almighty scream and shouted,

"OK, OK! I can't park the f@#king car! You do it, you SMUG bastard!"
