

12 September 2017

Hello Bowlers.

## **PENNANTS**

Congratulations to the Mens division 3 team for taking out the 2017 flag. Lets hope they can continue the form as they compete at the next stage.

The ladies division 3 and Mens division 4 teams finished out of the places but look forward to next years competition. Thankyou to all those that supported, selected, umpired and made themselves available for this years pennants.

## **UPCOMING EVENTS**

Final round of the Mac Patterson Shield (four club challenge) will take place on Thursday the 14<sup>th</sup> of September at Samford. Good luck to all those bowlers selected.

Saturday the 16<sup>th</sup> of September our open fours day is on with 16 teams nominated for the day starting at 8am. If anyone can spare an hour or two helping on the day that would be very much appreciated (this will hopefully be a good fund raiser).

Sunday the 17<sup>th</sup> of September we have a visit in against Kurra-Binda. We are seeking your support to play this day and try to build a lead in our quest to regain the shield, so please put your names down on the sheet provided.

Ladies triples have started and Mens triples draw will hopefully be on the noticeboard soon.

The mixed pairs draw is on the noticeboard and the mixed triples expression of interest closes soon if you don't already have your name down.

## **Membership Draw**

This weeks membership draw has reached \$500.
