Men's Section

The final Newsletter for 2011, thanks Peter and Pam for putting the Newsletter together and for the articles in the local papers, you've done a great job and we appreciate your excellent work very much.

On behalf of all members I would like to thank the Men's Committee under the leadership of President Don Ferris for their hard work during the year. Special thanks to our selectors, Shaun and Graeme, for their efforts in 2011. In particular and with a little help from our Skips Paul, Shawn and Nevill special thanks for a job well done in handling the difficult task of team selections during Pennants. Last but definitely not least thanks to Graham Jewell for running our midweek games, very much enjoyed by all visitors and members alike. Graham also instigated our Thursday Night Pool Comp., I look forward to next year's competition and another night at Tim and Marg's on the full size table, now there's a challenge.

Thanks to Margaret (our Margy) and all her helpers who make each and every occasion a day to enjoy for our bowlers. The Jam Sessions on Thursday Nights were fantastic, hope you can get them back again next year Marg. The special entertainment booked for the odd Saturday Night and every other thing you do is very special Marg; thankyou.

Thanks to Steve Prince for his dedication in making sure we have the best surface on which to enjoy our Bowls. Don't forget the working bee starting December 13 arranged to prepare the rink for Laser Levelling on December 17. You can register on the sheet provided at the Club. It is vital we have as many helpers as possible to ensure the preparatory work is completed by the 16th. The Laser Levelling takes place on the 17th and if the surface is not ready, we still have to pay, please help if you can.

Thanks to the Board for all the behind the scenes work, and on behalf of everyone a very special thanks to Damien. Cheers *Bob*.

Christmas Smiles

An honest politician, a kind lawyer and Santa Claus were walking down the street and saw a \$20 bill. Which one picked it up?

Santa! The other two don't exist!

How do you know that Santa is a man?

Answer: No woman wears the same outfit every year.

Father Christmas' sledge broke down on Christmas Eve. He flagged down a passing motorist and asked, 'Can you help me fix my sledge?'

'Sorry,' the motorist replied. 'I'm not a mechanic - I'm a chiroprapist.'

'Well, can you give me a toe?'

Answer 1.

The "Submarine" Captain ordered the crew to dive.

Q2 You have 10 trees and you have to plant them in five rows but each row must contain 4 trees. How is this possible?

Q3 I can sizzle like bacon,
I am made with an egg,
I have plenty of backbone, but lack a good leg,

What am I?

McKenzie Park went through undefeated to win overall and Ferny Grove took second on a count back. Thanks to all those who came along and gave us plenty of

support, we all appreciate it very much. Thanks Kerry for the excellent photos. It was great to see Alan Thorpe and Bill Rumph there to support us as well. I hope they saw enough in some of our players to warrant selection in our District Sides, good luck fellas.

The last Club Whites day was cancelled due to lack of numbers, the next day will be held on December 3rd at 1.00 p.m. If we don't have the numbers we may not be able to run the day as a jackpot day, however, we can still have a "roll up" and run a "Scroungers" competition on December 10 starting around 1.00 p.m. The competition will be mixed and open to all full members. All money in the kitty will definitely go off this day so come along and join in, you might win a few dollars.

Don't forget our Men's Section A.G.M. on Saturday December 10 at 11.00 a.m.

We are looking to arrange a game at Beachmere in January while our Green is out of action. There's also the Annual Australia Day Mixed Fours at Deception Bay (2 Ladies & 2 Men per team) keep an eye on the board for these events and get your name on the sheet if interested.

I hope to see you all at our Christmas Party on the 10th, if not, have a Happy, Safe and a very Merry Christmas.

Cheers, *Bob*

Q1 There is a common English word that is nine letters long. Each time you remove a letter from it, it still remains an English word - from nine letters right down to a single letter. What is the original word, and what are the words that it becomes after removing one letter at a time?

Q2 Four jolly men sat down to play,
And played all night till break of day.
They played for cash and not for fun,
With a separate score for every one.
When it came time to square accounts,
They all had made quite fair amounts.
Now, not one has lost and all have gained
Tell me now, this can you explain?

Q3. Place the numbers 1-9 in the following formula substituting each for a letter to get a valid equation.

$$x/yz + u/vw + r/st = 1$$

Use each number only once and note that yz is a two digit number, not y*z.
