Men's Section

The South East Queensland Pennant Championships for 3rd Division (and 4th Div) will be held at Coolumb, November 19th and 20th. Three games on Saturday starting around 9.30 a.m. and two games on Sunday. The support of Club Members in 2009 when we won the 4th Division was very much appreciated, our team members look forward to the same level of support again this year. Match times will be posted on the notice board as soon as we are advised. At this stage Kilcoy is having a little difficulty with numbers and may not raise the required 3rd side to attend the 4th Division Championship rounds. We wish them all the best and hope they can make it, I think we'd be great support for each other. Thanks to our Presidents, Barbara and Don for arranging the Family and Friends day, thanks also to those who helped on the day. The day was well attended, over 60 guests had a great time, many of whom showed natural talent on the green and who knows, maybe we'll pick up a few new members. Just a reminder that the green will be out of action from December 17 for Laser Levelling, dressing etc., members might be called on to lend a hand for a couple of days, any assistance will be much appreciated.

I would just like to take a moment to thank all our wonderful volunteers, Board Members, Ladies and Mens Bowling sections who between them put many hours into our Club, some are almost full time but without the pay. Others put in when they can and just because it may amount to no more than an hour here and there it's all vital to the wellbeing of our Club and no less appreciated. Thanks also to our paid staff, they too play a vital role in helping to maintain the Friendly atmosphere around our Club.

Cheers *Bob.*

Ladies Section

Another month has flown by and the Pennants season has now ended for this year. The combined Woodford/Kilcoy team has worked very well indeed and according to the results from the CDLBA, Woodford/Kilcoy has been placed third, however, we are awaiting clarification of the figures. In any case, well done ladies a fantastic result. An end of pennants celebratory lunch was held at Chantilly Blue, Kilcoy and enjoyed by all.

Although pennants took up the majority of bowling events this month, the ladies also visited Everton Park and Glasshouse Country plus our own events, including the mixed pairs championships which now sees Ros Graham and Damien Leenan play Janelle Leenan and Bob Graham in the final. Only one round of the mixed triples has been played to date when Marg Dahl, Tim Powell and Ian Esson narrowly defeated Ros Graham, Bob Graham and Graham Jewell.

The Family & Friendship day held on 24th September was very well supported which was good to see.

Upcoming events include the Mapleton Challenge on the 23rd October and don't forget that Night bowls is on a Friday at 5.30pm

Regards, *Pam*

Comments from our Providore (Marg)

1. Tea Towel Fundraiser Drive.
Marg will be pestering everyone to buy a pack of 2 tea towels for \$8. Half of the proceeds goes to the club. PLEASE SUPPORT THIS EFFORT.
2. The music night on Oct 1st, although a great event, was poorly supported by club members, which was disappointing for the organisers.

Work Your Mind Answers

Q1 *There is a barrel with no lid and some wine in it. "This barrel of wine is more than half full," said Curly. "No it's not," says Mo. "It's less than half full." Without any measuring implements and without removing any wine from the barrel, how can they easily determine who is correct?*

Answer 1.

Tilt the barrel until the wine barely touches the lip of the barrel. If the bottom of the barrel is visible then it is less than half full. If the barrel bottom is still completely covered by the wine, then it is more than half full

Q2 *Four members of a band are walking to a night concert. They decide to take a shortcut, but must cross a bridge. Luckily they have one flashlight. Because of the varying size of their instruments, it takes each member a different amount of time to cross the bridge - it takes the first person one minute, the second person two minutes, the third person five minutes and the fourth person ten minutes. They must cross the bridge in pairs, traveling at the slower speed so if the one minute person went with the ten minute person, it would take a total of ten minutes. Since there is only one flashlight, one person must come back across the bridge, then another pair can cross. They only have 17 minutes to cross the bridge and still get to the concert on time. What order should they cross to get everyone across and get to the concert?*

Answer 2 First, the one minute person and the two minute person must cross the bridge, for a total of two minutes. Then the one minute person should come back with flashlight - total of three minutes. The five minute person and the ten minute person cross together next, making the total thirteen minutes. Now the two minute person goes back and (total now fifteen minutes) gets the one minute person and they cross together bringing the total to seventeen minutes.

Games for All

We have a few very important days coming up. Our Ladies and Mens combined Presidents Day on October 8th. We have a visit from the Hibiscus Club on Sunday October 16th. The day starts around 11.30 a.m. for a meet and greet. There is a lunch available, either a roast or silverside (no dessert) and afternoon tea is included. We are away to Mapleton on Sunday 23rd and on Sunday 30th we have a coaching clinic in the morning followed by the Annual Pete McInnes Perpetual Trophy during the afternoon. The Nicholson Shield at home is on November 6, the Artie Thomas Shield starts Saturday November 12 at Kilcoy, 19th November at Toogoolawah and December 3rd at Home. All very important occasions for our Club so please note these dates in your diary and put your names on the event sheets at the Club, we need your support. We still have the final of the mixed pairs and most of the mixed triples to play. Graham Jewell, Ros & Bob Graham mixed Triples Team were defeated last weekend by Tim Powell, Ian Esson and Margy Dahl. Very windy conditions made it a little difficult, however, despite the wind it was a good match played in fine spirits with Tim's team handling the conditions a little better than their opponents. The final score was 21 – 17. Thanks to Andrew Clews for again sponsoring the Clews News Day last Sunday, unfortunately we had little support from our members and numbers were down on previous years. However, 18 players took to the Rinks and enjoyed the day, weather was sensational and so was the company. Thanks to those attending our Club Whites Day last Saturday, another good day, windy, but conditions were handled very well by most with a stand out performance by Darryl Holder. Don't forget the Mapleton Challenge Sunday 23rd.

Cheers, *Bob*

Work Your Mind

Q1. With pointed fangs I sit in wait,
With piercing force I dole out fate,
Over bloodless victims proclaiming my might,
Eternally joining in a single bite.
What am I?

Q2

I am the center of gravity, hold a capital situation in Vienna, and as I am foremost in every victory, am allowed by all to be invaluable. Though I am invisible, I am clearly seen in the midst of a river. I could name three who are in love with me and have three associates in vice. It is vain that you seek me for I have long been in heaven yet even now lie embalmed in the grave. What am I?

Q3. The word 'FACETIOUSLY' contains the six vowels, A-E-I-O-U and Y, in their alphabetical order. Can you find another English word that does the same?

STOP PRESS - Report on Don & Barb s Presidents At Home Day.

After a very stormy start to the day it turned into a beautiful sunny afternoon & after an enjoyable lunch & formalities taken care of a great afternoon of bowls was had by those who participated. However, once again the numbers were disappointing.

A Club's PAH is a very special event allowing the members of a club the opportunity to show appreciation to the Bowls Presidents & their committees for their efforts in keeping the Bowls Sections of the Club functioning. As we all know most people are reluctant to take positions

& I would like to take this opportunity on behalf of the members who did not attend on Saturday to thank Don & Barb. for their efforts We all know that it has been a difficult year for them both but they have attended the functions at the club whenever possible.

To those who attended I know you all had a great day, thank you.

To those who didn't - your loss. *Terre Jewell*
