Management Committee

Notes from the Board.

The Board have agreed to engage Paul Burnage Plumbing to install the items purchased from Caboolture Memorial. This includes a double bowl hand basin for the lady's toilet, a new urinal with auto flush and a hand basin in the men's toilet. New toilets will be purchased and installed and we will seek painting quotes after this work is complete. We have also agreed to Paul Burnage redirecting water from the roof at the rear of the building into the two tanks. We are seeking quotes to repair or replace the shade cloth around the green as well as a refurb of the existing bore. Further discussion was held re installing pop up sprinklers around the green but a decision was deferred till we have more funds.

WHICH BANK?

A frog walks into a bank, approaches a teller and says, "Hello, I'm Kermit Jagger, Mick Jagger is my father."

The teller replies, "Hello Mr. Jagger, I'm Patricia Whacker, how can I help?"

The frog says, "I want a loan of \$5,000.00."

The teller says "we will need some security for a loan of that size, what do you have?"

The frog then produces a small pink ceramic elephant and says "give this to the Bank Manager, he knows me."

The teller goes into the Bank Managers office and says "Kermit Jagger is at the counter, he says you know him and he wants to borrow \$5,000.00, he has given me this small elephant as security, what is it?"

The Bank Manager replies "It's a knick knock Patty Whack, give the frog a loan, his old man's a Rolling Stone."
