## **JOKE OF THE WEEK**

### **POLITICS EXPLAINED**

A little boy goes to his Dad and asks "What is Politics?"  
Dad says, "Well son, let me try to explain it this way."  
"I am the head of the family so call me the Prime Minister. Your Mother the administrator of the money, so we'll call her the Government. We are here to take care of your needs so we will call you the People. The Nanny, we will consider her the working class. And your little brother, we will call him the future. Now think about that and see if it makes sense."  
So the little boy goes off to bed thinking about what Dad has said.

Later that night he hears his baby brother crying so he gets up to check on him. He finds that the baby has severely soiled his nappy. So the little boy goes to his parents room and finds his mother asleep. Not wanting to wake her, he goes to the Nanny's room. The door is locked so he peeks through the keyhole and sees his Father in bed with the Nanny. He gives up and goes back to bed. The next morning, the little boy says to his father, "Dad, I think I understand the concept of politics now." The father says, "Good, son, tell me in your own words what you think politics is all about."

The little boy replies, "The Prime Minister is screwing the working class while the Government is sound asleep. The People are being ignored and the future is in deep shit."
