GAMES.

Ladies enjoyed beautiful autumn weather for their hugely successful financial day last Thursday. The Ladies would like to thank volunteers for the excellent playing surface and overall presentation of the green.

Event sheets are out for the Bill Warman/Bob Woodrow Shield, Pub Day, Breakfast Jackpot Bowls, Seafood Day and next months Mac Patterson Shield at Kilcoy.

BOWLS ETIQUETTE

Etiquette is a very important part of any sport and it has been a basic part of lawn bowls since the game began. Over the next while I will include basics of etiquette to remind some of us older, as well as new bowlers proper conduct toward our fellow bowlers. These words of wisdom will be delivered for no special reason or directed toward any specific member of our club. It is purely a part of the learning process and the showing of friendship to our fellow bowlers. Any display of sportsmanship and friendship toward team-mates and opponents will be returned twofold.

CLUB CHAMPIONSHIPS

Final of the Ladies Club Championship Fours played May 12 : Ros Graham, Cathy Laphorn, Carole Thomas and Pam Phillips 28 shots defeated Juliie Holm, Avon O'Donovan, Janis Grover and Rhonda Hennessey 18 shots. This was a close game for the most part, however, Ros' team skipped away in the latter part of the game for a good win. Congratulations to both teams, well played.

Results from the first round of Ladies Club Championship Pairs, Julie and Avon defeated Ros and Cathy 19 shots to 17. The come from behind win by Julie and Avon was fantastic to watch, a game that could have gone either way but in the end, a well deserved win by Julie and Avon.

Game two saw Janis and Pam defeat new bowlers Jenny and Rhonda 35 shots to 8. A big margin win to Janis and Pam, both played to expectations and thoroughly deserved their win. Jenny and Rhonda are big improvers and showed they have plenty to offer, they played very well indeed and I have a feeling the club selected mixed competition later in the year might deliver a few upsets.

Janis and Pam will play Julie and Avon in the Ladies CC Final next Saturday at 10 am.

MAINTENANCE

I believe we have one of the best greens in the District due to the efforts of a small group of dedicated volunteers. Ralph does a lot of odd jobs around the Club and very rarely does he ask for any help. Even with this band of merry men working wonders around the club there is still much to be done. The jasmine at the entrance needs replacing with the fence donated by Brett Kelly. The small garden at the entrance, the garden at western end of the Clubhouse and the hedges need attention. The greenkeepers shed has so much old equipment in it you can hardly move, it needs a good clean out. A pump house donated by Pam Sweeper will soon be attached to the greenkeepers shed to house spray equipment. Rain gutters need cleaning periodically and the list goes on. If we had regular working bees around the Club these jobs could be done quite easily and quickly. Once on top of things we could have regular 4 to 6 week half day working bees to help maintain the Club and surrounds in good condition. These days will reduce operating costs to the Club, it will present our Club in a better light to our visitors, it will increase and maintain the pride and friendship we all share for our Club and our mates. We have so many talented people in our Club from all walks of life with all sorts of skills, it would be great to have those talents on call if needed. A sheet will be placed on the games board asking for names of those happy to help if and when required.

ONE OF THE BEST

A turtle is walking down an alley in New York when he is mugged by a gang of snails. A police detective comes to investigate and asks the turtle if he could explain what happened. The turtle turns to the detective with a confused look and replies. 'I don't know officer, it all happened so fast'.
